EXPERIENCE

Ann Arbor Transportation Authority, Ann Arbor, MI 2012 - 2013
Business Transportation Coordinator

- Initiated and maintained partnerships with top regional employers including University of Michigan, Eastern Michigan University, Ann Arbor Public Schools, Washtenaw Community College, Washtenaw County, and the VA Medical Center.
- Launched VanRide vanpooling program, built a new business within the transit authority.
- Created and established program budget, pricing model, financial projections, and bid process for van acquisition at nationally recognized municipal public transportation system for VanRide service.
- Licensed 35 vanpools in the first year and established VanRide as a high revenue program.
- Uniquely created the Business Engagement Team to develop and process leads, encourage revenue activities, and strategically guide our employee/employer outreach activities.

The Arts Alliance, Ann Arbor, MI 2009 - 2012
Community Outreach Manager

- Responsible for the management of web assets including the oversight of all site (a3arts.org) profiles (630+), Google Adwords account, e-newsletter content editing, membership development and services, and social media accounts.
- Programmatic supervision responsibilities for "Creative Connections" networking series; and an annual conference – grew conference interest and attendance by 44%.
- Supported grant management and served on grant panels for the Michigan Council for Arts and Cultural Affairs, New Leaders Arts Council of Michigan's field trip and youth arts grants.
- Managed creative economy projects and developed proposals that supported business and marketing training for artists, analysis of the local creative economy, and grant searches.
- Assisted in the development of business training for artists, leading the social media trainings.
